Kalasparkar, Mr Kaustubh N. Giri, Izwant P. Mahakalkar, SG:	Cotimization of Assembly of Rear Aule Carrier (Transmission System) Through Exponents Consideration: An OverviewS	International Journal of Engineering Science and Technology	- 5	5 055		**	i e
Mahatme, Chetan; Mahakalkar, Sachin; Giri, Jayant;	Development of SPM for automation in sheet-metal disc teeth cutting operation	5th international and 25th sill india manufacturing technology, design and research conference				**	
Kalyunkar, N; Mahakalkar, S; Giri, I;	A Review on Optimization of Consignted Sheet Box Size for an Industrial Part	int. J. Res. Advent Technol. ICATEST		T	16-1	9 ##	i e
Dhanuskar, Gonuanta T. Giri, Javant P. Tatwawadi, VS: Mahakalkar, SG:	Comparative Approach for Work Study and RTA Biobot Time Analysis Method on Powder Coatine Line Sassed on Minimization of Cost	International Journal of Management, IT and Engineering	- 2		6 354	J71 **	International Journals of Multidisciplinary Research Academy
Mahakalkar, Sachin G; Tatwawad, VH; Giri, Jayant P; Modak, JP;	Corrugated Box Production Process Optimization using Dimensional Analysis and Response Surface Method.	International Journal of Engineering Science (2008-4870)	26	4	1	88	i e
Dubey, DN; Mahakaikar, SG;	Stress analysis of a mono-parabolic leaf spring-a review	LIMER	3	1	2 769-	772 ##	i e
Dharmadhikari, Sazar R. Mahakalkar, Sachin G. Giri, Jayard P. Khutafale, Nilesh D:	Design and analysis of composite drive shaft using AND/S and genetic algorithm-a critical review	int. J. Mod. Eng. Res			1 490-	456 **	i e
Mahakallar, SG, Giri, JP.	The Impact of Dimensional Analysis on Corrupated Sheet Manufacturing Process using Buckingham Pl Theorem	International Journal of Engineering Science and Innovative Technology	2	2	4 174	199 **	
Kalyankar, Nilesh V; Mahakalkar, Sachin G;	A Review on Optimization and Design of Corrugated Sheet Box Size for an Industrial Part	Int. J. Recent Innov. Trends Comput. Commun	3	1	109-	112 ##	i e
Sunheriya, Nieeral: Mahakalkar, Sachin G. Chadee, Raikumar R. Lande, Pratik: Girl, Jayant P. Baede, Auhupsh:	Experimental analysis of twin blade contra-rotatine wind turbine	2022 International Conference on Emerging Trends in Engineering and Medical Sciences (ICETEMS)			183-	255 **	9 000
Sambare, Ritesh: Sathe, Tushar: Kanoliva, Nilesh: Sunheriva, Neeral: Mahakalkar, Sachin:	Experimental investigation on enhancement of convective heat transfer coefficient in parabolic collector using nanofluids	Applied Solar Enemy	57	,	2 160-	169 **	Plejades Publishing Moscow
Jachak, Shrikant; Amale, Ashuir; Mahakalkar, Sachin;	Performance Exalization of Adhesive Bonded Tools Using Design of Experiments	Smart Technologies for Energy, Environment and Sustainable Development, Vol 1: Select Proceedings of ICSTEESD 2020		T	913-	921 BT	# Springer Nature Singapore Singapore
Amale, Auhuin: Sunherius, Neerol: Chadee, RB: Lande, Pratik: Girl. Javant: Mahakalkar, SG:	Experimental and numerical analysis of let impreement heating on cylindrical body	Recent Advances in Material, Manufacturine, and Machine Learnine			720-	/34 er	# CRC Press
Mahakalkar, SG: Surberiva, Necral:	Buckline Analysis of Piston Rod for Hydraulic Cylinder of Cotton Bale Press Machine	Biennial International Conference on Future Learning Aspects of Mechanical Engineering			67-7	4 88	Springer Nature Singapore Singapore
Nagpure, Surendra; Mahakalkar, SG; Sunheniya, Neeraj;	ANALYSIS OF A BAFFLE PLATE IN CYLINDRICAL VESSEL TO REDUCE THE PRESSURE EFFECT DURING SLOSHING			T		\top	
Amale, Auhrin: Sunherius, Neeral: Girl. Javant: Chadee, Raikumar: Mahakalkar, Sachin: Lande, Pratik: Dapkee, Abhiram:	Numerical investigations for smoke movement in industrial shed with C shaped collection channel	Recent Advances in Material, Manufacturine, and Machine Learnine			816	£25 88	# CRC Press
