

Publication Details of

P. B. Pande, Dr. S. R. Khandeshwar and Dr. S. P. Bajad

Index

Journal Publication			
Sr. No.	Title	<i>Journal</i>	<i>Year</i>
1.	Evaluation of Total and Matric Suction of Clayey Soil by Filter Paper Method	<i>Submitted in ASTM – Geotechnical Testing Journal</i>	2020
2.	Evaluation of Total and Matric Suction of Clayey Soil by Filter Paper Method	<i>Clay Research, Vol. 37, No. 2, pp. 58-66 (2018)</i>	2019
3.	Calibration of filter paper for measuring total soil suction	<i>SN Applied Sciences (2019) https://doi.org/10.1007/s42452-019-0820-x</i>	2018
4.	The Effect of Degree of Saturation on the Bearing Capacity of Shallow Foundation	<i>International Journal of Innovative Research in Science, Engineering and Technology (An ISO 3297: 2007 Certified Organizatio Vol. 3, Issue 7, July 2014</i>	2014
Conference Proceeding and publishing			
Sr. No.	Title	<i>Conference</i>	<i>Year</i>
1.	Shear Strength Behavior of an Unsaturated Clayey Soil	<i>Proceeding of IGC-2019 Awaited for Springer publication</i>	2020
2.	Review of experimental techniques for evaluating unsaturated shear strength of soil	<i>IC-RACEID -2019 Conference paper selected for Springer publication</i>	2019
3.	Replacement of Conventional Proving by Load Cell in Triaxial Test Apparatus	International Conference on New Frontiers of Engineering, Science, Management and Humanities (ICNFESMH-2018)	2018
4.	The effect of soil submergence on the bearing capacity of circular footing on c-Phi soil.	<i>IGC-2014</i>	2014
